**MARIA'S Café & deli OPENING SOON!!** Your patronage of the deli will ensure it stays open to serve your needs. Stop in and say hello to Maria & her crew.

**REMINDER:** Nothing may be attached to the docks without permission from the marina office. Dock wheels are not allowed.

**NEWS!** Operation **CLEAN SWEEP** is Saturday, June 7, eight to noon. This is a terrific opportunity to "give back" for all we get from our bay. Register at the marina office. Great after clean up party too! A large Sunroad turnout would be great.

**CLEAN MARINA.** Only C.P.D.A. Certified divers are allowed to do underwater hull cleaning in the marina. Some divers are not so be sure yours is! Marina Office has a list of Certified Divers.

**VENDORS DAY.** 10 – 12 on Saturday, June 21 in the Pavilion. Displays and experts in all aspects of boating. A must attend & it is FREE!

**FREE MONTH'S SLIP RENT:** Congratulations to **Mr & Mrs. Katz** in slip **G 21** the sixth winner of the free month slip rent drawing in 2008! Remember, to be included in our drawing, you just need to have your account current.

**SHARE THE VISION.** Donate your old glasses at the marina office for the Gift of Sight program.

**ACCESS.** We have had some problems recently regarding prowlers etc. in the marina. Please **DO NOT** lend or give your marina keys to anyone for any reason! Our office is open seven days a week to assist your workers or guests with marina keys. Let us know your guests are coming and we will roll out the Red Carpet for them! **All** workers must check in & out of the office whether you are with them or not.

**DOCK CARTS** are an endangered species! Please take care of them and return them (clean) to the ramp as soon as you are finished using them.

**THANK YOU!** A little cooperation goes a long, long way. Let's work together for a great summer. Please let me know what your thoughts, needs or comments are. My appreciation to all who abide by the rules, it makes life easier for everyone who enjoys our facilities.

**ALWAYS OPEN.** My office is always open for your needs. Scott Mac Laggan
